

A SPECIAL thank you FROM RE:MIND

re:MIND wants to extend a special thank you to our many underwriters, corporate sponsors and donors during this especially challenging year. It goes without saying your support of mental health services is more important now than ever. We hope you enjoy our virtual luncheon. Thank you for your support.

THE MISSION

rre:MIND provides free and confidential support groups for individuals living with, and family friends affected by, depression or bipolar disorders. In 2003, by recruiting friends and community leaders, Gary Levering formed the first re:MIND Board of Directors. Through his leadership, dedication, encouragement and enthusiasm, Gary invigorated re:MIND and its mission to provide free support groups. Trained volunteers and licensed professionals facilitate re:MIND peer support groups, which serve thousands of adults and children each year. re:MIND strives to educate the public about mental disorders and confront the stigma and discrimination surrounding mental health issues.

THE GARY LEVERING MENTAL HEALTH IMPACT AWARD

This award is named for re:MIND founder Gary Levering whose vision brought community awareness to depression and bipolar disorders. The award recognizes the significant impact the recipients are making in the mental health community of Greater Houston.

THE SUNRISE TRIBUTE

Sunrise brings the dawn of a bright day offering a fresh start and new possibilities. The Sunrise Tribute honors family and friends who are living with a mental disorder, caring for loved ones living with a mental disorder, or making strides in the cause for mental health. It also serves as a vibrant remembrance of family and friends.

NOW VIRTUAL

VIEWING DETAILS

A link to view the virtual luncheon will be sent the week of September 14. The luncheon can be viewed live at 12pm or after the event online. If you have any questions about viewing the virtual luncheon or do not receive your link by email, please contact Analisa Warren at a.warren@remindsupport.org

RE:MIND HAS THE DISTINCT PRIVILEGE OF HONORING KATIE & DAVID LINTNER AND MARY ZIMMERMAN, FOUNDERS OF THE 7'S FOR 7 DREW WEBB LACROSSE TOURNAMENT.

Honoring Katie & David Lintner and Mary Zimmerman,
Founders of the 7's for 7 Drew Webb Lacrosse Tournament, is
especially meaningful this year as January, 2020, marked the
10th anniversary of the tournament. This tournament has not
only raised nearly \$300,000 for re:MIND's support groups but
has also helped to increase awareness of mental health issues
amongst young athletes and their families, friends
and coaches.

Drew Webb, son of Dorothy and Hall Webb, was a remarkable young man, lacrosse player and coach. He was valedictorian at Episcopal High School where he wore the #7 jersey and became the first Houston lacrosse player to be a high level D1 recruit. He attended Cornell University and earned four Varsity letters. Following graduation he was the founding coach for the Houston Hurricane Lacrosse Club. Sadly Drew Webb took his life by suicide in 2010 while at UPenn preparing for medical school.

After his funeral, members of the lacrosse community came together to coordinate a tournament to celebrate his life and raise donations towards re:MIND Depression and Bipolar Support, chosen by his parents Dorothy and Hall Webb. The tournament was named 7s for 7 because Drew always wore the number seven on his jersey and the tournament uses smaller fields with only seven players instead of the usual 10. The goal of the tournament is to raise money to support mental health in young adults but even more important, to raise awareness of the importance of taking care of your mental health and end the stigma associated with asking for help among young athletes and coaches.

ERIC HIPPLE

Eric Hipple is a former National Football League (NFL) quarterback whose ten-year career was spent with the Detroit Lions. Born in Lubbock, Texas and raised in Downey, California, Eric graduated from Utah State University with a degree in Business Administration and was drafted by the Detroit Lions in 1980. Hipple's accomplishments include two playoff bids, a divisional championship, and the Detroit Lion's most valuable player award for the '81 season. From 1995-2000, Hipple was color analyst for the FOX NFL pre-game show

in Detroit. Since his 15-year-old son Jeff's suicide, Hipple has devoted his life to building awareness and breaking down the stigma surrounding depressive illnesses. Hipple received an Honorary Doctorate for his work in Mental Health from his Alma Mater, while giving the commencement speech to the 2019 class at Utah State University. He also received the University of Michigan 2015 Nuebacher Award for work with stigma associated with disabilities, the Detroit Lions 2010 Courage House award and the prestigious 2008 Life Saver Achievement award given by the American Foundation for Suicide Prevention. He co-authored a study examining depression among retired football players and the study appeared in the April 2007 issue of Medicine & Science in Sports & Exercise. He was awarded a presidential citation at the American Psychological Association's 2006 Annual Convention for his six years of national community-based work combating adolescent depression and suicide prevention. His message of resilience has provided mental fitness awareness to professional groups, military, law enforcement, schools, communities and thousands of high school and youth coaches. In conjunction with Navy U.S. Fleet Forces, he has provided workshops on destructive behavior and suicide prevention over an eleven-year span by focusing on Mental Fitness. His book "Real Men Do Cry" received a publisher Presidential Award. After retiring from University of Michigan's Comprehensive Depression Center, where he spent ten years as outreach coordinator, he helped found the After The Impact Fund supporting mental health treatment for NFL Legends and military veterans. Most recently, Hipple was recipient of the One Heart Award from the Detroit Has Heart Foundation and is currently working to provide mental health awareness serving the public with emphasis on military veterans, youth and employees in the workplace. Eric's commitment to helping others find a quality in life is demonstrated through work with nonprofit foundations and their missions.
